

# A Billion Stars (God is Love) *(G major, 126bpm)*

Words and music by Will Adam

INTRO / VERSES / POST-CHORUS / BRIDGE:

C2      D      G2      Em7

VERSE 1:

Turning our mourning to dancing  
Trading our death for Your life  
Life to the full, everlasting  
What a Father

VERSE 2:

Throwing Your doors wide open  
Calling us into the dance  
Casting our sin in the ocean  
What a Saviour

CHORUS:

C2                      D                      G2                      Em7  
(You're) Brighter than a billion stars - the God of all the Universe  
C2                      D                      G2                      Em7  
(You're) The light in every beating heart - the orbit of all life on earth  
C2                      D                      G2                      Em7  
(You're) Higher than the highest name, to Jesus alone be all praise  
G2/B C2                      D

And I see You shining like the sun above

G2                      Em7                      G2/B  
Our joy and our salvation, creation sings 'our God is love'

POST-CHORUS:

God is love

BRIDGE:

Love has conquered  
Love has won  
Darkness flees from the living Son  
We celebrate with everyone  
'Cause our God is love
