INTRO / VERSE / CHORUS / BRIDGE:

G D Bm7 A

VERSE 1:

When you've reached your limit
Like you've handed your life away
God's grace has made a new way
You're made strong in spirit
As the power of Christ reveals
He stands with the one who kneels

VERSE 2:

When you're persecuted
You can be happy with who you are
The children of our God
And in mercy rooted
Blessed are the ones who care
For the mercy of God is theirs

CHORUS 1:

Blessed are those
Who hunger and thirst
To be right with God
Oh lift your eyes to heaven
For you will be filled
And you will see God
With a heart that's pure
Oh lift your eyes to heaven

BRIDGE:

Weak made strong
Poor made rich
Last made first
In the Kingdom of grace we know
Lost are found
Blind can see
Broken healed

CHORUS 2:

Blessed are those
Who tremble and mourn
Who've reached the end
Oh lift your eyes to heaven
The arms of our God
Will bring you peace
And He won't let go
Oh lift your eyes to heaven

CHORUS 3:

Blessed are you
Redeemer of all
In all the earth
We lift our eyes to heaven
In Christ our Lord
Our hope is sure
And all praise is Yours
We lift our eyes to heaven
