Am7 F2 C  
Oh broken heart oh weary soul

Though you sing Amazing Grace  
Am7 Em/G F2  
Your heart is in a different place

Am7 F2 C  
Welcome to the needle's eye  
Am7 Em/G F2  
There's a boundless wealth of joy on the other side

Ride the heights of heaven, drown in mercy's ocean

Walk in endless wonder – grace is yours today

POST-CHORUS 1: *(chords as chorus)*

To the lost one  
To the poor one  
To the sick one  
To the one who feels it's all gone  
See the dawn light  
Heaven's birthright  
Everlasting new life

POST-CHORUS 3: *(chords as chorus)*

To the no-one  
To the used one  
The abused one  
To the LGBTQ one  
The neglected  
The infected  
To the bullied and rejected  
To the slave

POST-CHORUS 2: *(chords as chorus)*

To the homeless  
To the orphaned  
To the refugee  
And the widowed and the broken  
There is no fear  
You belong here  
On redemption's frontier

The runaway  
The mistreated and afraid  
To the naked  
To the stranger  
The forgotten and the failure  
Gonna show ya it's not over  
Rest your head upon my shoulder  
The reflection of perfection  
After death comes resurrection  
Come on wise up – lift your eyes up
