

# Without You *(D major, 86bpm)*

Words and music by Will Adam

WHOLE SONG:

G D A Bm7

VERSE 1:

You made me, You see me as whole  
Perfect in imperfection  
You're drawn to my soul  
'Cause love calls all things to life  
You are my love and You're my light

VERSE 2:

Begotten into Your family  
Grace is my surname  
My identity  
You call me holy and righteous through Christ  
Jesus body, blood and sacrifice

PRE-CHORUS:

The divine is coursing through my veins  
Every cell is Your domain  
The Word made flesh – Christ alive in me  
Pouring out of every pore  
Eternal in my very core  
The Word made flesh – Christ alive in me  
I see...

CHORUS:

Without You I'm nothing  
I'm so thankful Your love is everything to me  
Without You I'm nothing  
I thank You

BRIDGE:

You are not a storm or a hurricane  
You're the very air I breathe  
You don't have to fill me with love again  
'Cause Your love could never leave  
I am perfectly made 'cause Christ has called me to being  
And lives in me
